

Our ref: AHL/SCR/TKS/Parents/14

10th October 2017

Dear Parent/Carer,

Year 11 Information Evening for GCSE Maths, English and Science

We would like to invite you to a Year 11 Information Evening for GCSE Mathematics, English and Science which will enable us to help you support your child in their vital preparation for their GCSE Courses. This event will take place on **Thursday 19th October 2017 from 5:30 – 7:00pm**. We are delighted to say that our Subject Directors will also be available on the evening to offer expert advice and guidance.

At this very critical time we will give guidance and provide information, including revision packs to support, encourage and monitor your child's progress. We hope that this will enable us to work together to support your child and ensure the best preparation possible so they can achieve or surpass their target grade.

We do hope you will be able to join us with your child for this essential evening of information. To help with the planning and catering we would be grateful if you could please return the slip below to the Academy reception. We would like to begin the evening by inviting you to join us for coffee and cake at 5:30pm in our dining area. This will then be followed by presentations and a chance to speak with your child's core subject teachers should you wish to do so.

Thank you.

Mr S. Carter
Assistant Principal
