March 2020

Dear Parent/Carer

Outwood Academy Foxhills
Online e-Payments for School Meals and Other School Purchases

Outwood Academy Foxhills is pleased to announce that we will be introducing iPay impact online payments to eliminate the need for your child to carry cash to school. We will be transferring to the new payment system week commencing 1st June 2020.

Please note that from 1st June 2020, there will be **no** facilities within school to accept cash payments for catering facilities, trips, stationary and other adhoc items.

Please note that any balances on your child's catering account or upcoming trips account will be transferred across to the new system on the 1st June 2020. Please ensure that no further payments are made through your online account for **Scopay after 29th May 2020**.

Why a new system?

To support the Trust in becoming fully cashless, giving the following benefits:

- Removing the risk of students losing money
- Removing time spent queuing to top up funds at break times
- Keeping up with the digital world
- Monetary and officer admin time savings, enabling us to redeploy these efficiencies

For school meals, each student has an account. If they are to purchase meals, drinks or snacks from the canteen you will be required to top up this account with money online.

For those students in receipt of Free School Meals, the daily amount will continue to be allocated automatically to your child's account and therefore no action is required, however if you wish to allow your child to make additional purchases at breakfast or break times and, you can register and make additional payments as and when required. The same applies for school trips, stationary and other adhoc items.

In order to use the iPayimpact website you will need to register via www.ipayimpact.co.uk – further instructions will be sent on this at a later date.

Once registered you will be able to make payments directly into your child's account. All details can be found on the attached information sheet.

Should you have any queries please do not hesitate to contact the relevant Learning Manager, alternatively you can email your queries to enquiries@foxhills.outwood.com.

Yours faithfully
