

Outwood Grange Academies Trust

Scheme of Delegation

Rationale

The underlying principles for this Scheme of Delegation are;

That all academies are in a partnership of equals irrespective of their length of membership

1. OGAT is a registered charity and it remains true to its aims and objectives.
2. OGAT is mindful that their function is to ensure that all statutory obligations are met (there are differences in the governance arrangements of maintained schools and academies).
3. OGAT believe the governors of each Academy Council are best able to service the needs of their Academy and their local community.
4. OGAT Board's intention is to be as light-touch as possible within the Scheme of Delegation in order for Academy Councils and Governors to make decisions at a local level to fully meet the needs of the students and the local community.

General Information

Vision and Values

As a multi-academy trust we want to be known for placing...

“Students first: raising standards and transforming lives”

Martyn Oliver, CEO

As a high-performing multi-academy trust we embrace the opportunity to ensure that all children, irrespective of their starting point, receive an excellent education. We relish the opportunity to be part of the much needed regeneration of the areas we work in. To achieve this aim staff within OGAT have three values in common. They:

- put ‘students first’ - they care deeply about children;
- strive to be experts in their respective fields; and
- are obsessive about attaining the highest standards.

Principles Underlying our Academies

We feel strongly that academies should enhance the educational provision of an area, drive up standards, particularly for the most vulnerable, and play a central role in the regeneration of communities. We believe that improving young people's life chances is essential to developing a strong local economy. Our philosophy and values are reflected in the ten underlying principles of our trust:

- We always put 'Students First'. We care deeply about children;
- We want to be known for our track record in raising standards: we are obsessive about results;
- Our staff are experts in their field and through the Outwood Institute of Education (OIE) we will always aim to recruit, retain, develop and develop both our own staff and help to develop the education system as a whole; in particular supporting the development of multi-academy trusts, to the best of our ability;
- We want to transform the life-chances of our children by focusing on raising standards, particularly in the basic skills of literacy and numeracy as well as in employability skills so that our students have the best possible start in life;
- We believe that local children should attend local schools and we are not selective in our admissions: we are fully inclusive and welcome children from vulnerable groups, e.g. SEND, LAC, etc.;
- We play our full role in behaviour partnerships/hard to place protocols;
- We follow the guiding principles of School Teachers Pay & Conditions and National Joint Council conditions of service and want to work positively with professional association and actively involve them in our decision making;
- We always put collaboration before competition and will never do anything detrimental to a young person, member of staff, school or college in a neighbouring community;
- We believe in the implementation of a systematic model: our 7 strand transformation model, across our multi-academy trust which enables every individual academy and all our academies collectively, our 'family of schools', to raise standards significantly and transform children's life-chances. Individual academies are encouraged to retain and develop their own unique local community links and character alongside our transformation model; and
- The Trust will ensure that it creates 'capacity in advance of need' at every level of the organisation. Decisions to support new schools will be led by the capacity available and in our confidence that our existing academies continue to perform. Parents/carers and students would quite rightly never forgive us if standards in our existing academies declined.

Outwood Grange Academies Trust Members

Members are responsible for the appointment of Directors on to the OGAT Board and the oversight of good governance across the Trust. OGAT currently has three members:

- Chair of the OGAT Board
- Roland Harden
- Steven Harness
- David Tibble

Outwood Grange Academies Trust (OGAT)

Each Academy is ultimately governed by the Trust Board (OGAT). OGAT shall have regard to (but for the avoidance of doubt shall not be bound by) any guidance as to the governance of the academies that the Secretary of State may publish.

OGAT is governed by non-executive directors constituted under a Memorandum of Association and Articles of Association. This Board of Directors (Board) is responsible for ensuring that high standards of corporate governance are maintained. The Board exercises its powers and functions with a view to fulfilling a largely strategic leadership role in the running of the academies. This affords greater opportunities for collaboration not only with regards to teaching and learning but also in terms of the management of each Academy, including the procurement of goods and services.

The Board is also governed by the terms of any Funding Agreements that are in place and the Academies Financial Handbook (AFH).

Academy Councils

OGAT will establish Academy Councils, whose governors' role is to oversee the running of delegated aspects of the academies on behalf of the Trust. The membership of the Academy Council shall be for OGAT to decide in consultation with the Chair of the Predecessor School Governing Body. However, this document is intended to stress the critical role that Academy Councils have.

Each academy, or a group of academies across a close geographical area, has local governance arrangements in the form of a Academy Council (AC). The AC is a sub-committee of the Board. The role of the AC is to carry the Trust's vision, values, policies and priorities forward, provide internal assurance and, in addition, to develop the local community and employer links.

The AC are made up of governors who are expected to question, challenge and support the academy's leadership.

Communication between the Board and Academy Council

The Board meet regularly and as often as necessary. The Chair of OGAT and Chief Executive will schedule meetings with the Chief Executive Principals, Executive Principals, Associate Executive Principals, Principals and Chairs of the Academy Councils as and when required. This provides an opportunity for information sharing between the OGAT Trust Board and Academy Councils and have issues raised which may have influence across its broader family as well as particular institutions. Feedback from OGAT will be a standing item on all Academy Council agendas and all Academy Councils are required to provide a copy of their approved minutes of meetings to the OGAT Board.

Executive Board

The Executive Board is a sub-committee of the Board and shall be appointed by the Board of Directors. Its purpose is to manage generally the business of the Trust within agreed financial limits set by the Board from time to time. Subject to these financial limits, the Executive Board has primary authority for the day to day management of the Trust's operations save for those matters which are reserved to the Board or its committees.

The Executive Board is the overall decision-making body for performance and delivery, under delegated authority from the Board.

Members of the Executive Board are invited to be in attendance at the request of the Board.

Executive Team

The main purpose of the Executive Team is to monitor, challenge and improve academy performance. This includes, but is not limited to:

- Academic performance of all students at every key stage;
- The implementation and consistency of the 7-strand transformation model;
- Curriculum and staffing management; and
- Financial and resource allocation.

The Executive Team is responsible for the day to day monitoring of the performance of the academies and for the educational outcomes of students, under delegated authority from the Board.

Each of the above bodies have detailed Terms of Reference which set out their roles and responsibilities and function. The authority of each group is controlled by the Board via this Scheme of Delegation.

Central Functions

As part of a Family of Schools we aim to have the greatest amount of impact with efficacy. We are one of the most cost effective academy groups in the country (as evidenced by the DfE). A contribution of 5% of each academy's GAG income is levied which enables all academies

access to a whole range of functions and services as and when required. This excludes any surplus carried forward or income generated by the Academy. In addition, when necessary, specific charges are made for bespoke intervention when curriculum and performance require e.g. long term or significant deployment of directors.

Deployment of Directors

The ultimate responsibility for the deployment of Directors belongs to the Chief Executive. This will be based on identified need. Academy Principals should discuss their requirements with their Chief Executive Principal who will then broker that support on their behalf.

Budget Setting

All final Academy and Group budgets must be submitted to the Board for ratification each year. Indicative budgets should be in place by February each year. Budgets require authorisation by the Principal, Chief Executive Principal, Chief Executive Officer and Chief Financial Officer prior to being presented to the Board.

All Principals in conjunction with their Academy Council will submit their Academy Improvement Plan, Summary SEF and Curriculum Led Financial Plan to their Chief Executive Principal by the beginning of November each year.

In secondary academies, Principals will work within specific parameters as follows:

- Contact Ratio at 0.79
- Curriculum Bonus <8%

It is acknowledged that for new schools joining the Trust that there will be a legacy curriculum in place. The following parameters apply in this situation:

- Contact Ratio at 0.77
- Curriculum Bonus <10%

In primary academies this will be:

- Contact Ratio at 0.79
