Dear Parents/Carers

I hope that this letter finds you and your family well.

Following a very positive visit today from a representative of Public Health England, it was suggested to us that to improve the safety measures already in place, we reintroduce face masks for students in the academy.

With this in mind, we strongly recommend that masks are worn by our students and we will be with effect from **Monday 5th July 2021**.

Yours faithfully

Darren Smith
Principal
